SIS REPORT

1. **TOEFL:** Required score for undergraduate university admission.
2. **ESL: English as a Second Language program;** no TOEFL score required, but in most cases, competition won't be possible while learning English.
3. **Pathway:** Program that requires a certain level of TOEFL in English and provides access to university credits, allowing for competition.
4. **SAT:** Exam for NCAA university admission; exceptions may apply, and it can help secure additional academic funding.
5. **Books and Insurance not included:** This cost is not covered because it varies from university to university.
6. **Negotiable:** A scholarship that can still be improved and negotiated further.
7. **No practice or competition allowed:** During the English learning period, especially in ESL programs, training and competition are not permitted.
8. **Training depends on University Decision:** The university will decide whether training or competition is allowed during this period.
9. **Athletic Scholarship:** Scholarship for the university's first team.
10. **Must Try out:** Participants must undergo preseason training or a trial to determine placement on the first or second team.
11. **Academic Scholarship:** Academic-based scholarship.
12. **GPA:** Grade point average.
13. **Scholarship depends on profile:** The scholarship depends on factors such as GPA, TOEFL scores, and other admission criteria.
14. **Living off-campus cost:** This scholarship covers tuition but not accommodation and meals. However, the coach or university will assist in finding an apartment near campus with other students.

Color Legend

Green: Athletic scholarship for the first team (if the student is an athlete).

Blue: ESL scholarship.

Yellow: Academic scholarship.

White: Athletic or academic scholarship with possibilities to join the first or second team.

Orange: Master's scholarship.

Light Green: Priority player at SIS Soccer Academy.
